## THE TRIBENE.

TUESDAY MORNING, SEPTEMBER 28.

To For a variety of Intelligence, &c., suit of momentary passion, as is much the more real or imaginary.

To For a Chapter of Barnaby Rudge, charitable supposition.

Had the Member of Barnaby Rudge, charitable supposition. Be Fourth Page.

have always been averse to the practice of appointing Political Editors to lucrative posts under the tais awful rule. Federal Government. Not that an Editor has not as good a right to office as another man: not that as good a right to other as another man. Not that one who gives up his Editorial chair may not afterward be as fair a candidate for 'spoils' as any body else; but to be Editor and office-holder at the same time is not the right thing. We have always some time is not the right thing. We have always some time is not the right thing. We have always some time is not the right thing. We have always some time is not the right thing. We have always some time is not the right thing. We have always some time is not the right thing. We have always some time is not the right thing. We have always some time is not the right thing. We have always some time is not the right thing. We have always some time is not the right thing. We have always some time is not the right thing. We have always some time is not the right thing. We have always some time is not the right thing. The City Inspector resignation, that man would, in my judgment, despendence of this charter of a National Bank, a sufficient real the Canada from the charter of a National Bank, a sufficient real that the charter of a National Bank, a sufficient real that the charter of a National Bank, a sufficient real that man would, in my judgment, designation, that man would, in my judgment, despendence of opinion as to difference of opinion as to difference of opinion as to difference of a National Bank, a sufficient real that the Canada from the Canada f one who gives up his Editorial chair may not after- . To the Editor of The Tribune : ces or lucrative contracts for 'Blanks, Paper and hope of such blessings-and those only-are throwing cold water on the call of a State Cenvention. Warned by this spectacle, we trust it may hereafplace, he resigns his Editorship.

## THE LATE MURDER.

a teacher of Book-keeping.

Question by the Court. Are you married? of my counsel, that or any other question.

Question. Have you any thing to say in lation to the charge now made against you?

Answer. I am innecent of the charge. The prisoner, under advice of his counsel, Dunthat his trial will come on at the present session of mind unwarped by yarty zeal. out foundation. In the morning he asked for a razor with which to shave himself; but was told soners were ever allowed to use them.

Colt's family is said to be highly respectable. His native place, as he stated on his examination, is Hartford, Ct. where his parents still reside. We great control. One of the sisters of the prisoner a few years since committed suicide. We believe it
